

# HONORS BY CONTRACT Proposal

## Proposal Process:

Get a copy of the Honors Contract Faculty Worksheet and discuss the Honors by Contract option with your professor. It is great to have an idea of what you would like to do! Give a brief proposal/description of the Honors by Contract project in the box below, explaining what the project is, what work will be produced, and how the project will supplement what you will learn in the course. Submit the proposal form to the professor for her/his signature.
